Gladness attend you,
and Sunshine
light the path
wherein you wander.

From *Alice A. Harrison,*
To *Edith H. Grandy,*

*Pleasant memories of
"Atascadero."*

CM

Glad season, when the
heart-strings throb,
With memories of friends,
Not e'en new ways
nor time can rob
The old sweet thoughts it sends,
Take greeting from
this heart of mine
And bless the ways of
"Auld Lang Syne."

Wishing you a **H**appy **C**hristmas.
